

January 24, 1974

CLERK: Now Mr. President there are pending amendments offered by Senator Murphy. The amendments are set out in full in the Legislative Journal page 592.

PRESIDENT: Senator Murphy are you ready for your amendments to LB 592 on Select File?

CLERK: They are not set out in the Journal, that is an erroneous report Mr. President. The amendment is as follows. Read amendment.

PRESIDENT: The Chair recognizes Senator Murphy.

SENATOR MURPHY: If I may I would like to lay that over for a moment. I talked to the Secretary of State the other day and he says that there is a conflict which has not been resolved, and showed me some additional legislation stating there would be a specific amount of fixed to a school district for such an election which was my principle objection the undue cost that would be vested on class three districts. If I may I would like to again, and I am sorry to say that, to lay it over but I think that we still have a point in limbo here as to whether or not we are in fact running a bunch of unnecessary primary elections and spending unnecessary money if it be by the school board or the county to conduct them where they are unnecessary.

PRESIDENT: Stand by and lets see if we can get it. Senator Murphy is asking for unanimous consent to lay over 592 for other possible amendments and clarification. Are there objections to laying 592 over on Select File at this time? Any objections? Senator Carstens do you object? Hearing none, so ordered, then 592 will be ehld over until we get some other information on it. Back to you Senator Cavanaugh.

SENATOR CAVANAUGH: 699 in the Journal?

PRESIDENT: 699, Yes.

SENATOR CAVANAUGH: I can't find any amendments to that, are there any?

PRESIDENT: Stand by, just a minute.

CLERK: All right Mr. President, LB 562 there are some further amendments offered by Senator Stromer for which he asks unanimous consent and to print in the Journal.

PRESIDENT: Are there objections to printing the amendments in the Journal? Hearing none, so ordered, they will be printed. 92, not 562?

CLERK: 699 Mr. President.

PRESIDENT: Stand by, we want to dispatch 592 here, do you have anything for 592? Lay it over, right? O.K. are we on 699, O.K. back to 699 then.

SENATOR CAVANAUGH: There are no amendments, is that correct?

CLERK: There are amendments.

SENATOR CAVANAUGH: I move the adoption of the E & R amendments to LB 69
